WORDS: Danny Pearson ART: Barrie Appleby

BILLY WHIZZ

THE FASTEST BOY IN THE WORLD!

The page features a vibrant yellow background with colorful paint splatters in pink, blue, and purple. In the top left corner, a cartoon girl with brown hair in a ponytail, wearing a red shirt and blue overalls, holds a paintbrush and gestures towards the title. The title 'MISS MISTRY'S' is written in large, bold, black letters, with 'ART CHALLENGE!' in a pink box below it. A speech bubble from the girl explains the challenge. The main illustration is a black and white line drawing of a city skyline made of rectangular blocks. A large, multi-story building with a striped pattern and a jagged, spiky roof is the central focus. To its right is a tall, thin tower with a clock face and a sign that says 'POOL'. In the foreground, there are smaller buildings, including one with a clock face and another with a sign that says 'POOL'. The entire scene is framed by a thick black border.
